

CLARIFICATIONS TO THE AMAF PROVINCIAL SYLLABUS, 2010 EDITION – AUGUST 2011

The following are clarifications of classes currently offered in the Provincial Syllabus.

1. Transcriptions

Where no music was composed for an instrument during a specific era, transcriptions are acceptable.

Example: the saxophone did not exist in the Baroque or Classical eras, therefore there are no original Baroque or Classical compositions written for this instrument, however, for entry in the saxophone solo, Baroque/Baroque Style and Classical/Classical Style classes, transcriptions of music composed for other instruments are acceptable.

Likewise, transcriptions are acceptable in W.A. Mozart classes.

2. Classical Guitar

Throughout the classical guitar section of the 2010 Provincial Syllabus, the following changes have been made to clarify the repertoire expectation in each of the effected classes. Changes to these class titles will make them consistent with similarly named classes in other instrumental disciplines.

- Classes titled 'Renaissance' should read 'Renaissance/Renaissance Style'
- Classes titled 'Baroque' should read 'Baroque/Baroque Style'
- Classes titled 'Classical' should read 'Classical/Classical Style'
- Classes titled 'Romantic' should read 'Romantic Composers'

All other classes remain unchanged.
